We, at Ysgol Gwenffrwd are very proud of our achievement when we received the Welsh Government's National Quality Award as a Healthy School. This achievement came about after work by dedicated staff and the cooperation with you as parents/ families- and please remember, that it is the HEALTH of your children we are focused on.

We ensure that our pupils drink plenty of water (for a Healthy Mind and Body) as well as eating a variety of vegetables and fruit regularly as part of their daily diets. We actively encourage healthy food/lunch boxes and, hopefully ALL parents will encourage all pupils to accept the Welsh Government's offer of a FREE school dinner for those entitled.

At the beginning of a new school year- please be KIND towards one another: please- if you have any concerns about your child - get in touch! Lift the phone to make an appointment for a telephone chat or to see me/ us face to face.

School uniform: we have a lot of good quality school uniform at school - if you need anything e.g jumper/ polo shirt- telephone the office as we would love to help out if possible.
