Rydym ni yn Ysgol Maes Garmon yn awyddus iawn i sicrhau bod y trosglwyddo rhwng yr ysgol gynradd ac uwchradd yn digwydd yn llyfn ac felly hoffwn ni wahodd eich plentyn i ymuno â'n **Cwrs Pontio Pump**. Bwriad y cwrs hwn, a gynhelir ar y dyddiadau a nodir isod, yw rhoi cyfle i ddisgyblion blwyddyn pump profi awyrgylch cartrefol Ysgol maes Garmon a blasu rhai o'n pynciau fel Addysg Gorfforol, Dylunio a Thechnoleg a Chelf. Bydd cyfle hefyd iddynt gyfarfod rhai o'u darpar athrawon, gwneud ffrindiau newydd a dechrau ymglyfarwyddo â threfn ysgol uwchradd.

Er mwyn mwynhau y diwrnod llawn hwn bydd angen dillad nofio, cäs pensiliau, a pheccyn bwyd ar bob plentyn.

Bu'r cwrs hwn yn llwyddiannus iawn yn y gorffennol ac yn sicr yn gam gwerthfawr yn ein hymdrech i helpu'r disgyblion i deimlo'n hapus ac yn ddiogel wrth symud i'w hysgol newydd.

Edrychwn ymlaen at estyn croes cynnes i'ch plentyn.

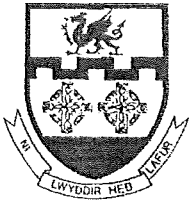

Yn gywir,

Iona Scott

Pennaeth Cynorthwyol.

It is one of Ysgol Maes Garmon's priorities to ensure that the transition between junior and secondary school is as smooth as possible and, therefore, we would like to invite your child to join us on our **Pontio Pump Course**. The aim of this course, which is to be held on the dates listed below, is to enable year five pupils to experience Ysgol Maes Garmon's homely atmosphere and have a taste of some of the subjects which are offered here like Physical Education, Design and Technology and Art. The pupils will also have the chance to meet some of their prospective teachers, forge new friendships with pupils from other schools and start to familiarize them with the pattern of the day in secondary school.

In order to enjoy this busy day each child will require a packed lunch, swimming kit and a pencil case.

This course has proved to be a big success in the past and a valuable step in our transition programme geared towards helping pupils feel happy and safe when moving from primary to "The Big School".

We look forward to meeting and extending a warm welcome to your child.

Yours sincerely,

Iona Scott  
Assistant Head
