YSGOL GYMRAEG GWENFFRWD
HEALTHY SCHOOL

05 09 2016

Mae ysgol Gwenffrwd yn cefnogi gofynion Llywodraeth Cymru ac yn annog bwyta'n iach bob amser. Rydym hefyd yn credu mewn cydraddoldeb ymysg ein disgyblion-a bod bob un yn cael ei drin yr un fath. Gyda gor-dewdra ymysg plant yn codi, ac achosion megis cancr plant a diabeteg yn codi - credwn mai ein dyletswydd yw annog bwyta'n iach bob amser. Byddwn yn paratoi byrbryd o ffrwythau i blant Gwenffrwd (ac weithiau llysiau pe dymunir) a diolchwn i chwi fel rheini am eich cefnogaeth.

Oherwydd ein bod am geisio cefnogi teuluoedd, rydym am weithio system o daliadau fel a ganlyn (Medi 5ed ymlaen) :

Our school fully supports the Welsh Government's initiative- of tackling childhood obesity. We believe that healthy eating is crucial in this campaign and at Gwenffrwd, we believe in equality amongst pupils i.e. that we treat all pupils equally. With regard to the current state of pupils' health in Wales, and with the rise of childhood illnesses such as cancer and diabetes etc we thank you all as parents for supporting our healthy eating (and in this case, healthy Byrbryd/Snack times) at Gwenffrwd.

To support our families, we have adopted a new pay system for our daily byrbryd. Here is the weekly payment chart as from Sept.5th 2016. DIOLCH:-
