CEFNOGAETH A GWYBODAETH DIGIDOL: DIGITAL INFORMATION SHARING + SUPPORT FOR FAMILIES

**Sesiwn Diogelwch ar y Wê : Dydd Iau Mehefin 29ain 2023
@ 9:15yb - 10:45yb: Neuadd Fawr Ysgol Gwenffrwd**

**ON-LINE SAFETY Information sharing meeting to support families:
Thursday 29th June 2023 @ 9:15am until approx. 10:45am**

This meeting has been arranged following feedback by Gwenffrwd parents - so hopefully, you will find this important information useful for you and your family.

Daisy Williams from 'Stop it Now Wales' will share with us, the latest "up-to-date" information, and help parents / families to understand what children may be engaged with, when on-line, (be it on a digital platform e.g. Youtube, TikTok etc, or when interacting during a virtual gaming session). She will also touch on how to check for privacy settings / parent locks etc. The following topics will be included:

1. Know the signs
2. Conversations with children
3. Role modelling
4. Parental intervention
5. Assess need to be worried
6. Building resilience
7. Make use of safe spaces online
8. Other resources and ideas

Please make every effort to attend what promises to be an informative and engaging morning. The number of people (family and friends) who attended our open morning sessions before the half-term holiday was fantastic; can you all please attend again?

Rydym yn edrych ymlaen i'ch croesawu ar gyfer y bore agored arbennig hwn - llawn gwybodaeth - i helpu bob un ohonom i gadw ein plant yn ddiogel ar y wê.

Gyda Diolch,
Mrs Elen Mai Jones & Mr Gerallt Lyall
Arweinwyr Digidol/ Digital Leaders
