#### **IMPORTANT PARENT/GUARDIAN/PUPIL INFORMATION EMERGENCY SCHOOL CLOSURE NOTIFICATION: PROCEDURE FOR FLINTSHIRE SCHOOLS**

##### Parents/guardians and pupils who are able to access the internet from home.

Flintshire County Council has a procedure for notifying parents/guardians and pupils when schools need to close at short notice due to adverse weather conditions or other emergencies, such as a gas leak etc.

This information / details will be put directly onto the Flintshire Website at the school's earliest convenience.

This is to ensure speed and accuracy of information.

Parents / Guardians etc. can then check the FCC Website for information on Ysgol Gwenffrwd school closure should that decision be made by the Governing Body at any time.

In order to find the Flintshire County Council webpage - please visit the Home Page of Flintshire County Council's website [www.flintshire.gov.uk](http://www.flintshire.gov.uk). This will have 'Emergency School Closure Alerts' section

which will show a summary of how many schools have had to close at short notice and when the information was last updated. By clicking on 'View more information' this will direct you straight to the webpage with the full information details entered by the head teacher or the SLT member for Gwenffrwd

Next to each school click on the small icons to expand and minimise the additional information. This procedure will also automatically update the Council's Twitter feed @flintshireecc (<http://www.twitter.com/flintshireecc>) to help provide another channel for notification of school closures.

\*\* Information will also be placed on Ysgol Gwenffrwd's website - [ysgolgwenffrwd.weebly.com](http://ysgolgwenffrwd.weebly.com)

- Just click on the little bird to read the TWITTER messages

##### . Parents/guardians and pupils who are unable to access the internet at home.

Local radio stations will be advised to check the Flintshire web site for the latest information and they can then broadcast it accordingly. So those parents without internet access.
