Dear parents;

Please find below a FCC STATEMENT FOR COMMUNICATIONS with parents/ guardians/ school communities in Flintshire:

At the current time, Flintshire schools are being directed to prepare for the reopening of face to face provision for Foundation Phase pupils from 22nd February onwards. This is in line with the Welsh Government decision to bring some learners back into schools whilst other lockdown restrictions remain in place.

The Council carefully monitors the incidence rate and test positivity rate daily, and expects both to continue to fall steadily over the coming weeks. However, should the public health situation become a cause for concern ahead of 22nd February then the decision to reopen schools for Foundation Phase pupils will be reviewed.
