

Diwrnod Mathemateg y Byd! World Maths Day!

Dydd Llun nesaf, byddwn yn dathlu Diwrnod Mathemateg y Byd drwy amryw weithagreddau a phosau. Yn sgil hyn, hoffem gael wal yn llawn lluniau o blant yr ysgol gyda rhif o'u dewis. Gallwch dynnu eich llun wrth ymyl rhif tŷ, balwn rhif, cloc – unrhyw beth a welwch o gwmpas eich cartrefi neu'ch ardal leol! Bydd yr athrawon yn cymryd rhan hefyd, ac yn dangos rhai i chi ddiwedd wytnos yma i'ch ysbrydoli.

Hoffem i chi argraffu **llun lliw ohonoch chi a unrhyw rif** sydd **tua maint arferol llun ffotograff (dim mwy na A5 – hanner A4!)** i fynd ar ein wal Rhifedd arbennig ni yn yr ysgol, erbyn Ddydd Llun nesaf (12/3/18).

Next Monday, we will be celebrating World Maths Day through various activities and maths puzzles. As part of these celebrations, we wish to create a number wall with all the pupils' pictures, posing with a number of their choice. You can 'take a selfie' with a door number, numbers on a number plate, a number made of dough – anything from your home or community. School staff will be sharing their pictures to inspire you all at the end of the week.

Please can you print a colour picture of yourself with any number. The photograph should be around a normal sized photograph (no more than A5 – half A4!) and bring it to school next Monday, 12/3/18.

Diolch ☺

Mrs Elen Mai Jones
