

## LLYTHYR 8 LETTER 8 HOLIADUR QUESTIONNAIRE

Annwyl rieni / Dear parents;

09-06-20

Rydym yn parhau i aros am ganllawiau i ysgolion gan Lywodraeth Cymru - fodd bynnag, mae rhaid inni gael syniad o niferoedd wrth inni gynllunio i ail-agor Ysgol Gwenffrwd. Mae'n debyg mai uchafswm o 3-4 diwrnod ar gyfer bob plentyn fyddwn yn gallu gynnig - unai mewn un wythnos, neu ddiwrnod bob wythnos- nid oes penderfyniad na chyfarwyddyd ar hyn eto.

.....

We are still waiting for Welsh Government Guidance on re-opening of schools - BUT we need to have an idea of the demand from parents asap - i.e. how many parents wish to send their child/ren back to Ysgol Gwenffrwd between June 29<sup>th</sup>- July 27<sup>th</sup>. There isn't a firm plan as yet- as we haven't seen the guidance. However - Gwenffrwd will attempt to offer 3-4 days at school for each child within this period - either within a week OR one day per week over the month (NO decision made on this yet).

We will not arrange transport for this period.

FCC have announced this morning that they will provide a packed lunch for every pupil during this period i.e. no child to bring in food from home. All pupils will be 'staggered' into school over set times in the mornings (and home in the afternoons) so parents will HAVE TO KEEP TO EXACT TIMES when bringing children in/ picking up from school. If children are booked in the HUB they cannot join their class for the day and go back to the HUB ( as this is cross-contamination). So yes, there are LOTS to think about. It is also very likely that, in this initial new phase- June 29<sup>th</sup>- July 27<sup>th</sup>- that, if you have 2-3 children at Gwenffrwd, that they will be offered sessions on different days with their year-groups. There will be approx. 6-7 pupils per class.

Therefore , based on this information- can we ask ALL Parents/ Guardians to inform us of your decision by Thursday morning June 11<sup>th</sup> please?

Please go on to your child's SEESAW / GOOGLE CLASSROOM and you will see the short questionnaire. Please use your child's HWB email to send your response to your child's classteacher - please fill in 1 response form for each child ( so that we know how many pupils in each year group are coming back for a short amount of time to 'Check-in/ Catch up').
