

## Literacy

### Success Criteria:

Is your child able to...?

- Respond to the tale of 'Cantre'r Gwaelod' (using the Pie Corbett method to recite the story) using interesting vocabulary.
- Writing: Use appropriate theme related language patterns and words when writing pieces of work.
- Use their skimming and scanning skills to identify the purpose/nature of the genre and to locate relevant information (online and in books).
- Develop the ability to use natural Welsh language patterns (including correct terminology) when speaking
- Discuss and debate issues related to our theme.
- Write a diary of an astronaut.

## Numeracy

### Success Criteria:

Is your child able to...?

- Order numbers from the smallest to the largest
- Recognise odd and even numbers
- Sort numbers into thousands, hundreds, tens and units (x2, x3, x5, x10).
- Use their times tables to solve problems.
- Tell the time on a digital and analogue clock and interpret calendars and timetables.
- Problem solve, discussing and showing how they found the solution and identifying when a number sentence is incorrect
- Recognise the steps needed and the correct information they need to complete a task or to reach a conclusion.

**Year 3 and 4    Autumn TERM 2017    THEME:- OUT OF THIS WORLD**

### **Cross Curricular links:**

### **Focus: Cantre'r Gwaelod/Llechwffan/Tryweryn**

#### Success Criteria:

Is your child able to...?

- Design and make a model of Llechwffan (imaginative creature) using a range of materials, tools and techniques (e.g using paint, drawing, sewing)
- Listen to and evaluate pieces of music, thinking about and recognising musical elements.
- Share their opinion about their own work and suggest improvements e.g to find mistakes and use strategies to improve their own work.
- Search and locate cities/places in Wales, using maps and atlases e.g to locate Aberystwyth.
- Ask and respond to questions about the past.
